

Assignment 3

Bucket and Watson assistant

Assignment Date	07 October 2022
Student Name	Vaibav Bajra S
Student Roll Number	CITC1905056
Maximum Marks	2 Marks

Questions:

1. Create a bucket in IBM object storage

2. Upload 5 images to ibm object storage and make it public. Write code to display all 5 images

```
<!DOCTYPE html>
<html>
  <head>
    <link rel="stylesheet" href="sam.css">
  </head>
  <body style="background-color: beige">
    <h1>FASHUNN APP</h1>
    <div class="row">
      
      
      
    </div>
    <div class="row">
      
      
      
    </div>
  </body>
</html>
```

3. Upload css page to object storage and use the same page in your HTML code

<input type="checkbox"/> Object name	Archived ⓘ	Size	Last modified	
<input type="checkbox"/> pi..png		183.5 KB	2022-11-03 4:52 PM	⋮
<input type="checkbox"/> pi..png		438.0 KB	2022-11-03 4:52 PM	⋮

<input type="checkbox"/> sa..css		702 bytes	2022-11-08 9:33 AM	⋮

sam.css

(objects) here or click to upload

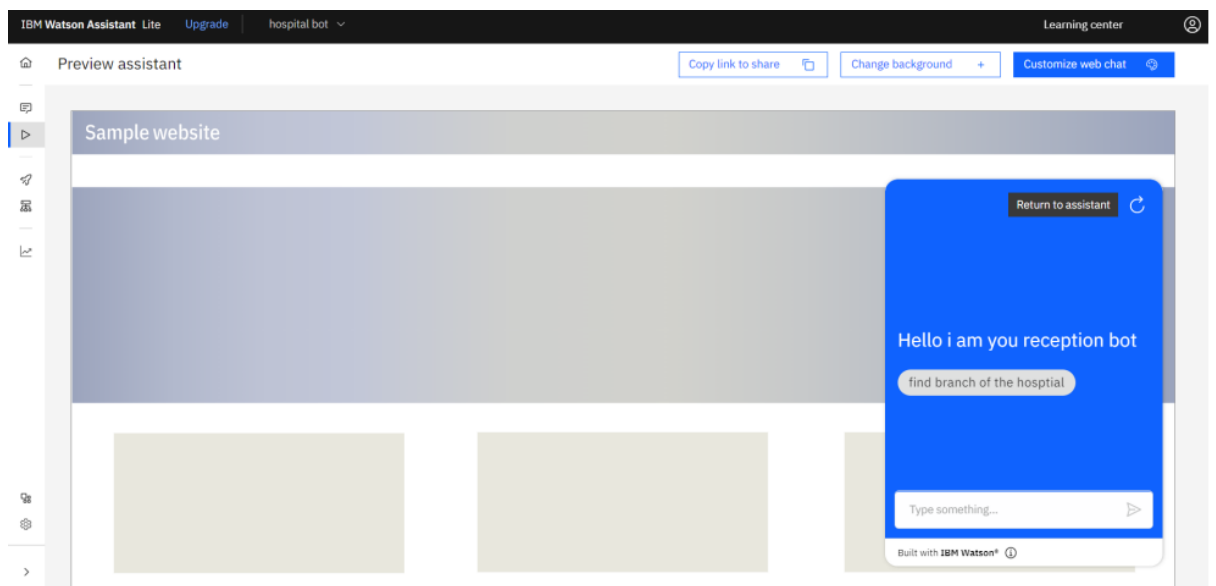

```

<!DOCTYPE html>
<html>
  <head>
    <link rel="stylesheet" href="https://my-bucketk.s3.jp-tok.cloud-object-storage.appdomain.cloud/sam.css">
  </head>
  <body style="background-color: #f5f5dc">
    <h1>FASHUNN APP</h1>
    <div class="row">
      
      
      
    </div>
    <div class="row">
      
      
      
    </div>
  </body>
</html>

```

4. Design a chatbot using IBM Watson for hospital.

5. Create Watson assistant service with 10 steps and use 3 conditions in it. Load that script in your HTML page

The screenshot displays the IBM Watson Assistant interface, showing two separate dialog flows for a shopping assistant. The top flow, titled 'mail', consists of 9 steps. Step 9 is highlighted, showing a condition '7. do you want to go...' and an assistant response 'thankyou see you again'. The bottom flow, titled 'Athleisure formals', consists of 5 steps. Step 4 is highlighted, showing a condition '3. what type of dres...' and an assistant response 'THIS formals looks awesome would you like to buy it'. Both flows include confirmation prompts and 'Continue to next step' actions. The interface also shows a 'New step' button and a 'Preview' button.

IBM Watson Assistant Lite Upgrade fashunn bot Learning center

mail

Step 9 is taken with conditions

Conditions

If All of this is true:

7. do you want to go... is No

and Add condition +

New condition group +

Assistant says

thankyou see you again

Define customer response

Preview

2

Athleisure formals + 3

Continue to next step

1 is female

what type of dress are you looking for?

3 formal casual + 3

Continue to next step

3 is formal

THIS formals looks awesome would you like to buy it

4 Confirmation

Action complete

3 is saree

this saree is in tread with highest rating would you like to buy it

5 Confirmation

Continue to next step

New step +

Step 4 is taken with conditions

Conditions

If All of this is true:

3. what type of dres... is formal

and Add condition +

New condition group +

Assistant says
